Welcome to My Sixth Seminar

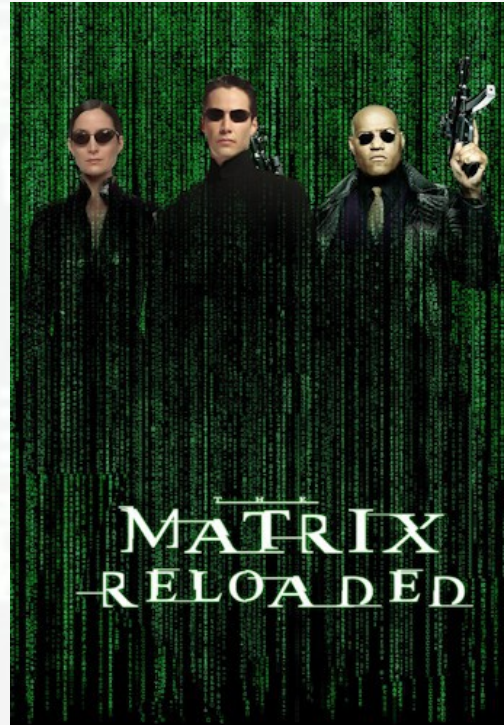

- In this seminar, I will show you the occult (hidden) messages in the movie *The Matrix*. This movie was first shown in theaters in 1999. It has a lot of empowering knowledge that can help you free your mind from the Matrix hologram.
- *The Matrix* also has disempowering knowledge. If you are not careful, the disempowering knowledge in this movie can enslave your mind even further.

The Matrix (1999)

- *The Matrix* is not your typical movie, because it is saturated with occult symbolism and hidden messages. This movie was produced by Andy and Lana Wachowski and approved by the Controllers (Elites). The Controllers wanted Andy and Lana to produce this movie to see how the people would react to a movie that was telling them the truth in a metaphorical and allegorical kind of way.

The Matrix Trilogy

- There are three films that make up the Matrix Trilogy, which are *The Matrix*, *The Matrix Reloaded*, and *The Matrix Revolutions*. The first film answers the question: **What is the Matrix?** The second film answers the question: **Why are we in the Matrix?** The third film answers the question: **How do we get out of the Matrix?** These three films are filled with allegories. When you decipher these allegories properly, they can tell you what is going on behind the scene of the world.

The Codes of the Matrix

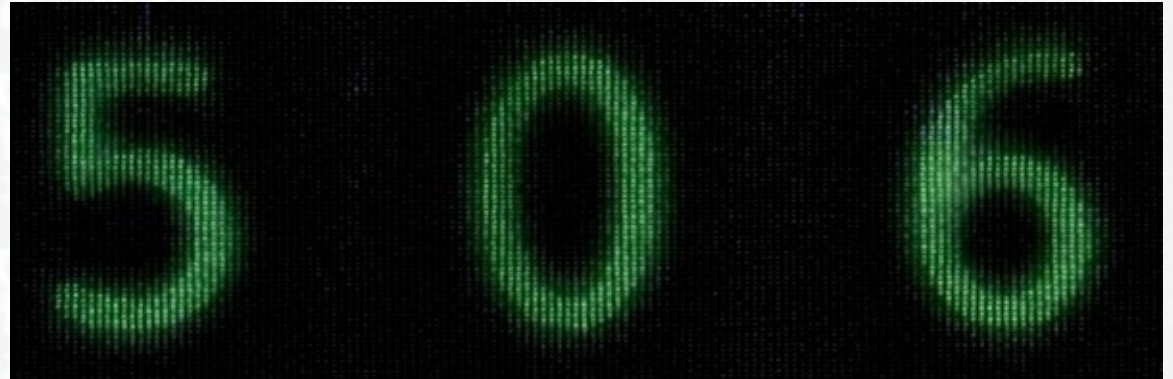

- *The Matrix* starts with strange green computer codes running down the screen in the foreground. These green computer codes are the codes of the

Matrix. When watching the movie, you will hear Trinity and Cypher talking about Neo in the background during this part of the movie.

The Number 506

- The strange computer codes turn into numbers and then the movie zooms in to the number **506**. In Thelema, the number **5** represents **microcosmos** and the number **6** represents **macrocosmos**. When you add the numbers 5, 0, and 6 together, you get **11** which represents the **Cosmos**. Why? Because you added the microcosmos and macrocosmos together, which is what the Cosmos is made of. The number that is often used to represent **Creation (the Prime Creator)** is **0**. In numerology, 0 represents infinity and symbolizes Creation. Hence, the number **506**. This number tells us that *The Matrix* is a spiritual movie about reality and occult knowledge.
- Thelema is a religion founded in 1904 by Aleister Crowley, a magician who was well-trained in the art of dark magic. Many researchers of secret societies suggested that he was an Illuminati member.

The Heart O' The City Hotel Scene

- The Heart O' The City Hotel symbolizes the heart. Pay attention to this scene because the movie starts and ends at this hotel. In this scene, Trinity is attacked by police officers, which are agents of the state.
- **Trinity** represents the **feminine force** that is being attacked. The feminine force symbolizes **love** and **compassion**. Love and compassion attract unity, which is why the Controllers are constantly degrading women and conditioning men to treat women like whores. This is why all the three matrix movies start with Trinity being under attack.

What Does Trinity Represent?

- In Christian theology, the name **Trinity** is derived from the **Holy Trinity**, which consists of the **Father, Son, and Holy Spirit**. In *The Matrix*, **Morpheus** represents the **Father**, **Neo** represents the **Son**, and **Trinity** represents the **Holy Spirit**. The fact that the actor Carrie-Anne Moss is named Trinity shows that *The Matrix* is a religious movie filled with hidden messages.

The Heart Represents Neutrality

- The **heart** represents **neutrality** because its energy brings peace and harmony between the opposite charge of polarities. The heart holds the key to stopping the Matrix system of the Dark Forces, because its charge is neutral and therefore it does not feed the Matrix with energy.
- This is why it is important to focus your awareness inside your heart and think with your heart as much as possible, so that you do not generate too much positive and negative energy to charge the Matrix system. The key is to stay **neutral** as much as possible, but also be **aware** of what the Dark Forces are doing.

- The word **heart** is an anagram for the word **earth**. Hence, the phrase “home is where the heart is”. The heart is where love and evil reside. Phonetically, the word **evil** sounds exactly like **evol**. **Love** spelled backward is **evol**. This represents the positive and negative energy, which is known as polarity. When you learn to balance your positive and negative energy, you can reach a state of neutrality, allowing you to achieve balance and inner-peace.

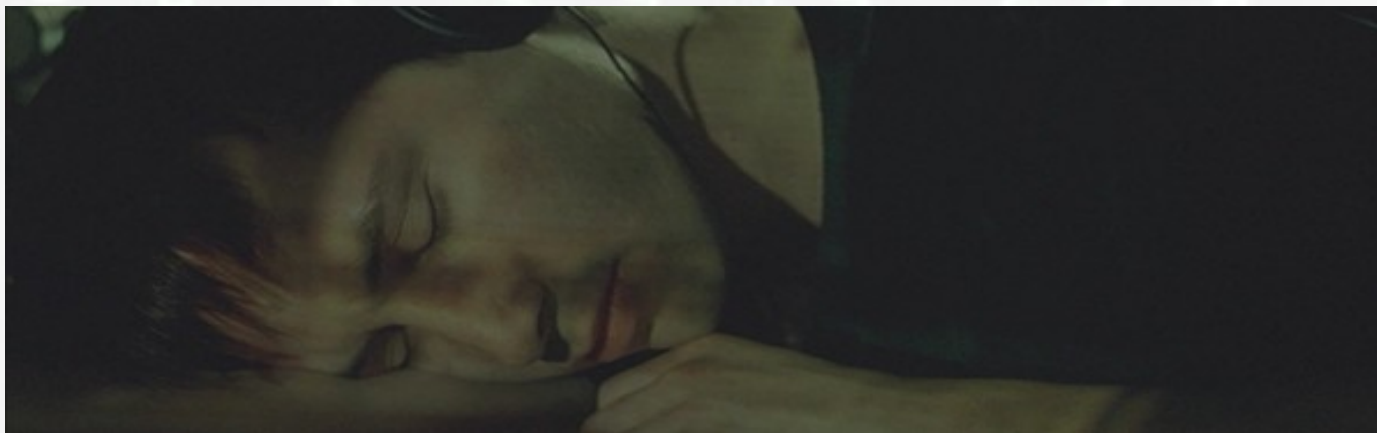

Room 303

- Room 303 is the hotel room where Trinity is assaulted by police officers. Pay attention to this room because it plays an important role in the movie. The number 303 is an important number in the religion of secret society. I will explain what this number means near the end of this presentation

Neo's Apartment

- Thomas Anderson, also known as Neo, is a software engineer and the main hero of the movie. *The Matrix* has a lot of allegories related to software and computer, which is why the main hero is a software engineer. In Greek, the word **thomas** means "a twin". **Thomas** is the "twin" of **Neo**, and therefore Thomas Anderson represents the person who is **asleep** and Neo represents the person who is **spiritually awakened**.
- At the beginning of every matrix film, the main character Thomas Anderson is asleep. Metaphorically, it shows that the average person living on Earth is asleep. Thomas Anderson represents the human beings who are trapped in the system of the Controllers and have no idea that they are living in an **artificial reality**. By the end of this presentation, you will know what the artificial reality is.

Neo's Room 101

- Room 101 is sometimes used to represent the place of your deepest fear. The book titled *Nineteen Eighty-Four* by George Orwell is known for using Room 101 for manifesting fear and nightmare. Furthermore, the number 101 is often used to symbolize a course or manual for **beginners**. In the case of Neo, room 101 represents the **beginning** of Neo's path to face his fear, so that he can achieve enlightenment.

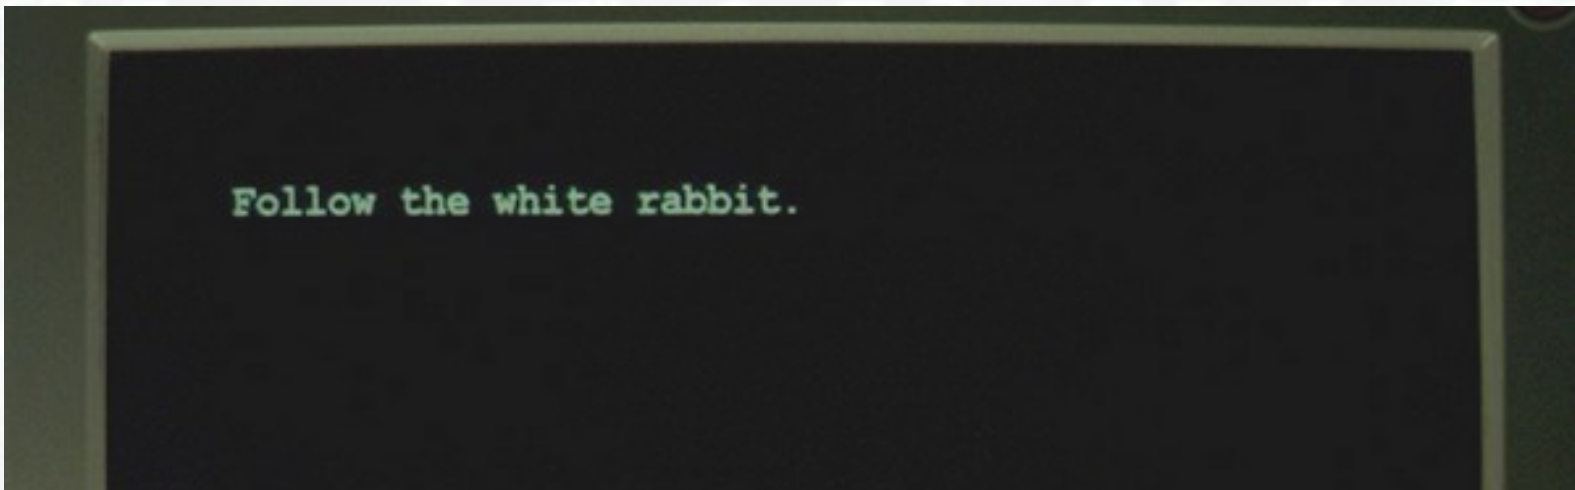

- Did you notice the one eye symbolism in the image? This symbolism is very popular in the religion of the Illuminati and the Freemasons.

- The number 101 is an important number in Freemasonry, because it “represents the Temple of Solomon's two pillars, Boaz and Jachin, (1's) accompanied by the central Brazen Sea (0), forming the "101", which literally symbolizes the entrance to the Holy of Holies, or figuratively signifies the beginning of one's esoteric and gnostic journey to self-actualization.”
- In computer language, **101** is **binary** for the **decimal value number 5**. This relates to *The Matrix* because Zion was destroyed **5 times** and Neo is the sixth person to be the One. According to certain spiritual teachings, the Earth was “cleansed” 3 times and we are in the process of transitioning to the **fifth** world.
- The computer codes **1** and **0**, which are the codes of the Matrix, also represent **on** and **off** or **white** and **black**. The color white and black are important colors in Freemasonry. These two colors represent **polarity (positive and negative)**. Have you ever wondered why the colors of the square on checkerboards are white and black? It has to do with Freemasonry. The numbers **1** and **0** can also represent an **open eye** and a **closed eye**. Hence, the one eye symbolism in the previous slide.

Decimal:	0	1	2	3	4	5	6	7	8	9	10
Binary:	0	1	10	11	100	101	110	111	1000	1001	1010

The White Rabbit

- After Neo wakes up, he gets a message on his computer telling him to “follow the white rabbit.” The white rabbit symbolizes a mind control program called “Alice in Wonderland”. This mind control program is designed to activate certain parts of the slave's subconscious, allowing the slave to access them. This is known as going “through the looking glass,” which allows the slave to access his or her other personalities. A **looking glass** is another term for a **mirror**. In occult knowledge, mirrors are doorways to other dimensions. In psychology, people who have more than one personality is said to be suffering from multiple personality disorder.

- The white rabbit also symbolizes the process of going down the rabbit hole to see how deep and strange reality is. In *The Matrix*, the slave Thomas Anderson is told to “follow the white rabbit”, so that he can discover his true self (Neo) and what the Matrix really is. The white rabbit is a sign that Thomas Anderson, like everyone in the Matrix, is **under mind control** and needs help to free his mind before he can escape the Matrix.
- In *The Matrix*, the white rabbit tattoo on the back of the woman with black hair also represents **synchronicity**, because the computer message tells Neo to “follow the white rabbit”, and shortly after that he sees the white rabbit tattoo on her back.

The Club Scene

- *Trinity: I know why you're here, Neo. I know what you've been doing. I know why you hardly sleep, why you live alone, and why night after night you sit at your computer. You're looking for him. I know, because I was once looking for the same thing. And when he found me, he told me I wasn't really looking for him. I was looking for an answer. It's the question that drives us mad. It's the question that brought you here. You know the question just as I did.*
- *Neo: What is the Matrix?*

- *Trinity: The answer is out there, Neo. It's looking for you. And it will find you, if you want it to.*
- When Trinity says this to Neo, she is telling him that the desire for truth must be present if he is going to find answers to his question. This message also applies to us. The truth is out there, so if we want to find it, we need to have the desire for the truth and not fear it. The Laws of Nature will guide us to find the truth when we are ready, so we need to have an open mind and watch for the signs. Once we see the signs, it is up to us to take the actions to follow the signs and find the truth.

The Interrogation Room Scene

- *Neo: How about I give you the finger... and you give me my phone call.*
- *Agent Smith: Um, Mr. Anderson. You disappoint me.*
- *Neo: You can't scare me with this Gestapo crap. I know my rights. I want my phone call.*
- *Agent Smith: Tell me, Mr. Anderson, what good is a phone call if you're unable to speak. ... You're going to help us, Mr. Anderson whether you want to or not.*
- This scene shows us how ignorant Neo is about the law. What Neo does not know is that he is a **corporate slave**. A slave does **not** have **rights** but has certain **privileges**. In this scene, Neo represents the average human beings, because most of us are ignorant about the law.

- In the United States, the U.S. government assumes that we are all “employees” or agents of the United States, which is a corporation. 99 percent of the time when the U.S. government and its agents refer to the United States, they are talking about the **corporate** United States (the UNITED STATES, INC.). As a United States Citizen, you are considered an “employee” of the corporate United States. Unlike traditional employees, you do not get a weekly or biweekly paycheck. In other words, you are a slave. As a **corporate slave**, you have **no rights**, only **privileges**. In *The Matrix*, **Neo** is a **corporate slave** and therefore he has **no rights**.
- If you want proof that the United State is a corporation, do a search on any search engine using these keywords “28 USC 3002”. Click on the appropriate link and go to subsection 15 and 15(A) and you should see these words in the image below. This image is a screenshot of this webpage: <https://www.law.cornell.edu/uscode/text/28/3002>

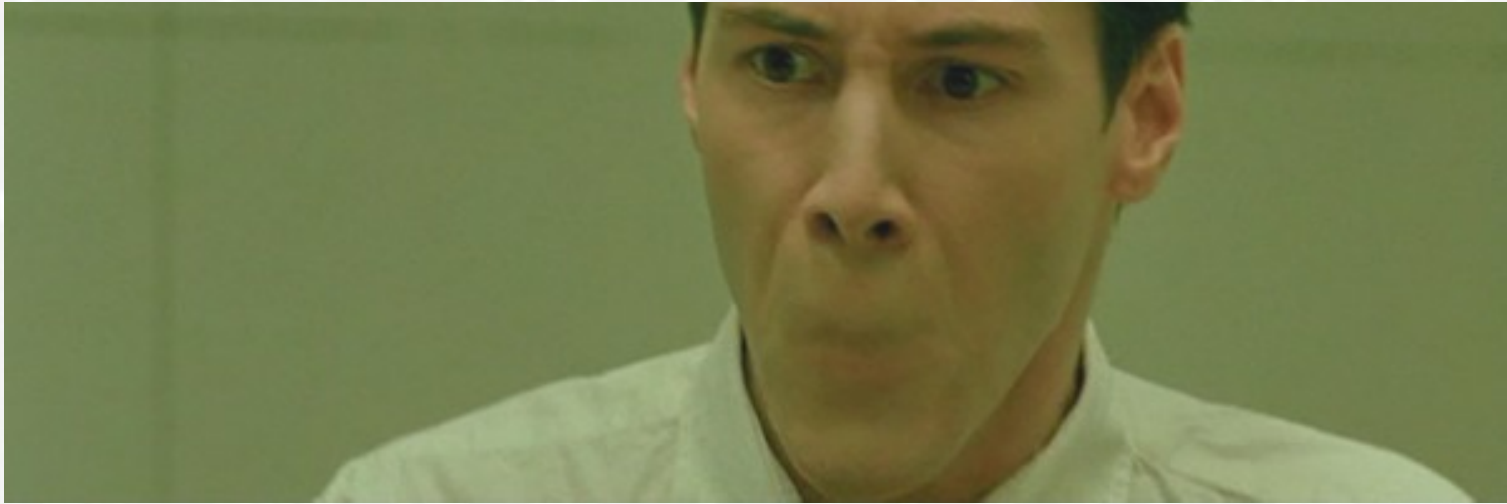

(15) “United States” means—

(A) a Federal corporation;

(B) an agency, department, commission, board, or other entity of the United States; or

(C) an instrumentality of the United States.

- If you want to learn more about the corporate United States and its fraudulent legal system, go to [my seminars page](#) and download or view the PDF file for my **second seminar**.

- This is the same scene where Neo is being interrogated by the agents of the Matrix. Shortly after agent Smith said to Neo, “Tell me, Mr. Anderson, what good is a phone call if you're unable to speak”, Neo's lips begin to shut and melt together.
- Allegorically, this scene shows us what is happening to our society today. Nearly all governments throughout the world do not want us to speak out for our rights. Instead, they want us to remain silent, because by being **silent** we are giving them our **consent**. In legal terms, being **silent** is known as **implied consent** or **implicit consent**. In addition to wanting us to remain silent, they also want us to be afraid to stand up for our natural rights. Their favorite weapon for doing this is **fear**.

The Lafayette Hotel Scene

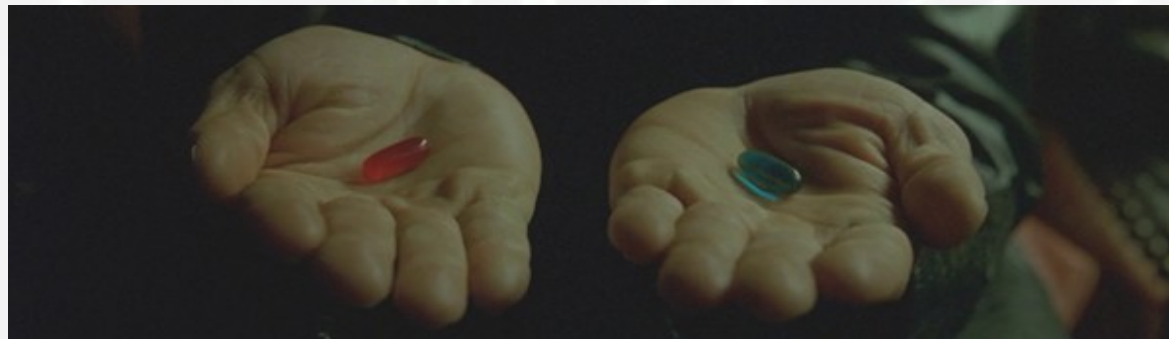

- In this scene, Neo meets Morpheus for the first time. In Greek mythology, **Morpheus** represents the **God of Dream**. He is revealing the **dream** or the **illusion** known as the **Matrix**. Here we have **Trinity** (feminine energy, emotion, and intuition), **Neo** (masculine energy, will, and action), and **Morpheus** (mind energy, thought, and knowledge) together as the **Holy Trinity**. By now you should realize that this movie is filled with occult knowledge. The word **occult** originated from the Latin word **occultus**, which means "hidden, concealed, secret".

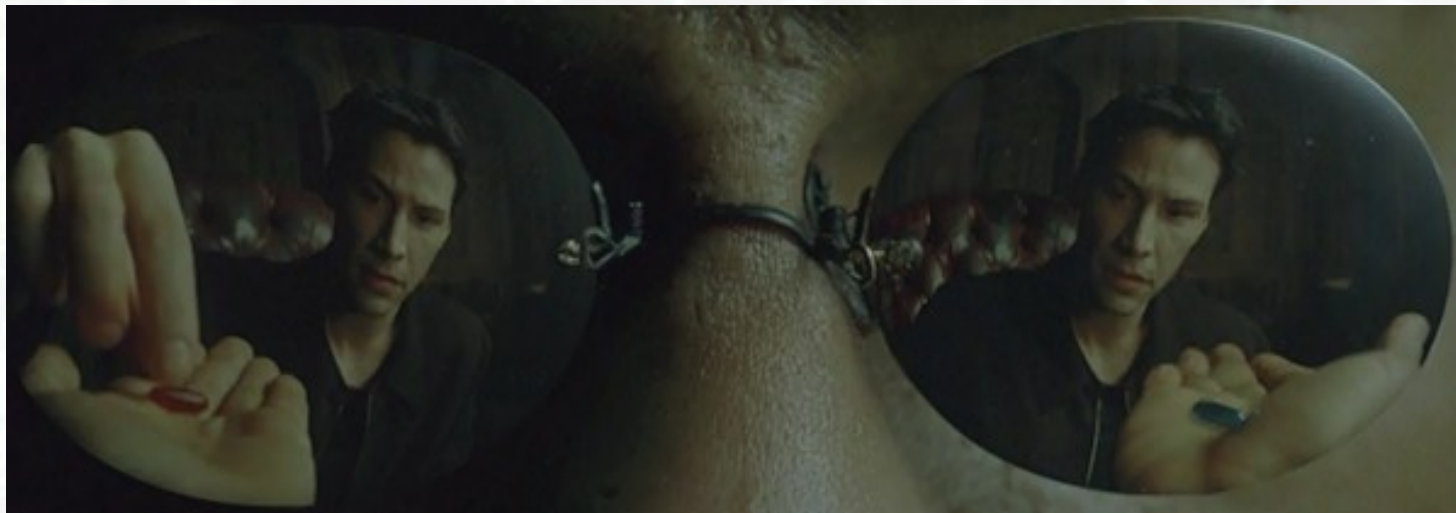

- *Morpheus: Let me tell you why you're here. You're here because you know something. What you know you can't explain. But you feel it. You've felt it your entire life. That there's something wrong with the world. You don't know what it is but it's there, like a splinter in your mind driving you mad. It is this feeling that has brought you to me. Do you know what I'm talking about?*
- *Neo: The Matrix?*
- *Morpheus: Do you want to know what IT is? The Matrix is everywhere. It is all around us, even now in this very room. You can see it when you look out your window or when you turn on your television. You can feel it when you go to work, when you go to church, when you pay your taxes. It is the world that has been pulled over your eyes to blind you from the truth.*
- *Neo: What truth?*
- *Morpheus: That you are a slave, Neo. Like everyone else you were born into bondage, born into a prison that you cannot smell or taste or touch. A prison for your mind. ... Unfortunately, no one can be told what the Matrix is. You have to see it for yourself.*
- In this last paragraph, Morpheus is basically telling Neo that he is a **mind control slave** and the Matrix is so horrifying that words can not describe it, and therefore he needs to see it with his own eyes to know what the Matrix really is.

The Red Pill and Blue Pill Scene

- *Morpheus: This is your last chance. After this there is no turning back. You take the blue pill, the story ends, you wake up in your bed and believe whatever you want to believe. You take the red pill, you stay in Wonderland, and I show you how deep the rabbit hole goes. ... Remember, all I'm offering is the truth, nothing more.*
- In this conversation, Morpheus is giving Neo two choices. However, in reality he actually has more than two choices. The **two choices technique** is a technique that the Controllers like to use to create the **illusion** that we have **a choice** or only **two choices**. This is why in politics, we have **two main parties**, which are the Republican and Democrats. As for the two colors of the pills, the color **blue** represents **passive energy** and the color **red** represents **active energy**. Red is about moving forward and engaging the will. This is why when Neo took the red pill, he was forced to face the truth.

- Morpheus is also telling Neo that he is only offering him the truth, and to know and understand the truth is a **choice** that **only he** can **make**. Like what Morpheus said, if you want to find the truth, you need to have the desire to seek for the truth and not be afraid of it. Furthermore, learn to meditate and calm your mind, so you can hear the inner voice inside you. This inner voice will often give you ideas and guide you to find the truth. This **inner voice** is known as your **intuition**.
- The image below is a reflection of **two Neos**. The one grabbing the **red pill** is Neo, the **natural person**. He is the **One/1** so he is **alive/on**. The person grabbing the **blue pill** is Thomas Anderson, the **artificial/legal person**. He represent **0/off** so he is **dead**. Remember earlier when I said that there are two versions of Neo? The **artificial person** is the **slave**. He does **not** have **free will** and the power to make a **choice**. This is why he can not lift up his hand to pick up the blue pill. Did you notice the reflections of Neo in the image below are two different images?

- Morpheus: *Have you ever had a dream, Neo, that you were so sure was real. What if you were unable to wake from that dream. How would you know the difference between the dream world and the real world?*

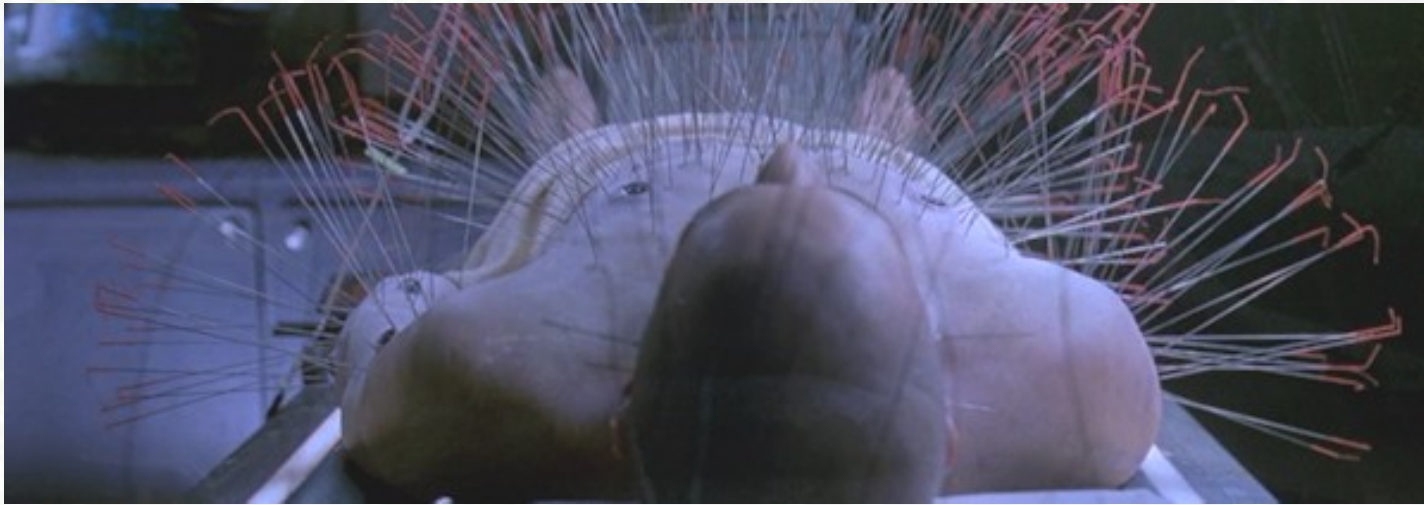

- In this message, Morpheus is telling Neo that he may be living in a dream. This message also applies to us because we are living in a reality similar to the Matrix. Have you ever wondered why some people like to do drugs so much? At the subconscious level, people like to do drugs for the reason that the drugs help free their minds for a few hours from the **real** Matrix. What is the **real** Matrix? I will explain what it is near the end of this presentation.

Neo Wakes Up from His Pod

- Shortly after Neo takes the red pill, he wakes up in his pod and sees the horror of what the Matrix really is. He looks over his pod and as far as his eyes can see, there are millions and millions of pods filled with human beings. This is how horrifying the situation is. It is so bad that he can not even see the bottom.
- Allegorically, this scene shows you that most people on Earth today are **asleep** and have no idea that they are **slaves** for the system of the **New World Order (NWO)**. When you learn the truth, it can be scary and feel hopeless. However, it is the **truth** that will **set you free**. As long as you **fear** the **truth**, you can **never be free**.

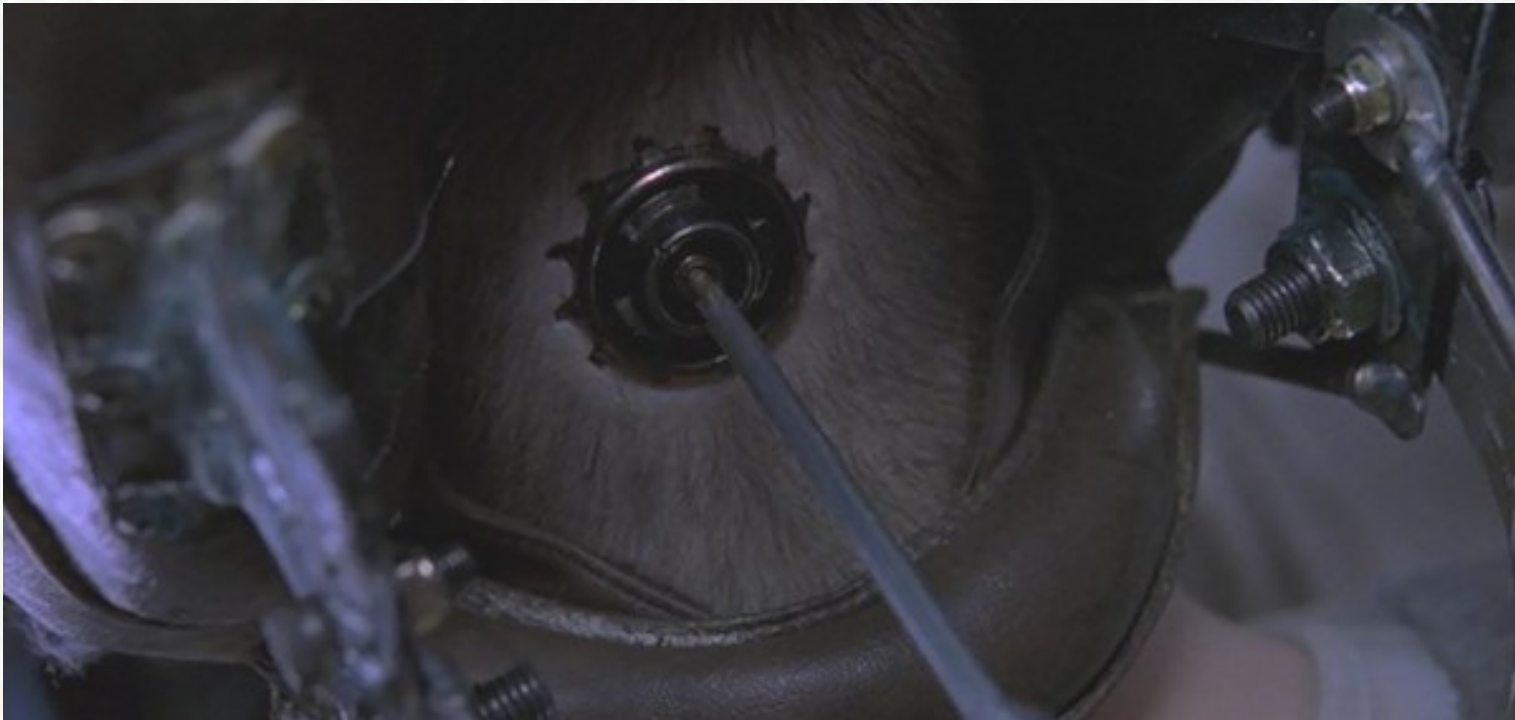

The Hovercraft Nebuchadnezzar: After Rescuing Neo from the Matrix

- This is the scene where Neo is being treated for muscle atrophy. The image above represents the weak state that we are in when we first wake up from the illusion of the Matrix.

The Construct Scene

- This image is a picture of the back of Neo's head. The metal part is the place where they can insert a metal rod attached to an electrical cord. This rod and cord allow former victims of the Matrix to transfer their consciousness into the digital realm, such as the Matrix and the Construct. The **rod** and **cord** symbolizes our **DNA**. I will explain why near the end of this presentation.

- *Morpheus: This is the construct. It's our loading program. We can load anything from clothing, to equipment, weapons, training simulations, anything we need.*
- *Neo: Right now we're inside a computer program?*
- *Morpheus: Is it really so hard to believe? Your clothes are different. The plugs in your arms and head are gone. Your hair is changed. Your appearance now is what we call residual self image. It is the mental projection of your digital self.*
- *Neo: This...this isn't real?*
- *Morpheus: What is real. How do you define real? If you're talking about what you can feel, what you can smell, what you can taste and see, then real is simply electrical signals interpreted by your brain.*

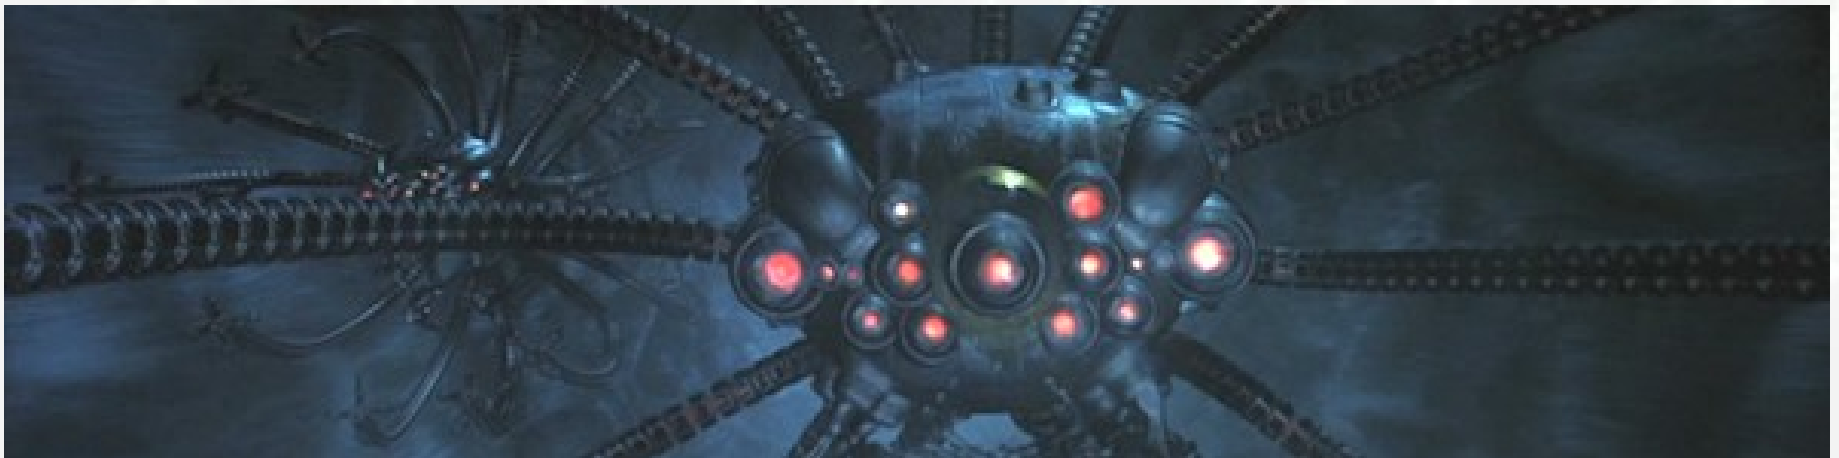

- *Morpheus: You've been living in a dream world, Neo. This is the world as it exists today. ... Welcome to the Desert of the Real. We have only bits and pieces of information but what we know for certain is that at some point in the early twenty-first century all of mankind was united in celebration. We marveled at our own magnificence as we gave birth to AI.*
- *Neo: AI? You mean artificial intelligence?*
- *Morpheus: A singular consciousness that spawned an entire race of machines.*

The Machines Represent the Dark Forces & Artificial Intelligence (AI)

- The machines can represent a few things, but ultimately they represent the Dark Forces and the Controllers, which are the sentient beings that are controlling humanity. The real controllers are not the Elites, they are the **demonic thought-form entities**. These demons are the **masters** of the Controllers. My understanding is that these thought-form entities can infect people's minds with evil thoughts or possess them when they communicate with them too much. There is a good chance that the Controllers may have transferred the consciousness of these thought-form entities into AI machines.

- AI systems are basically quantum computing machines, which is why they can think to a certain degree. One of the first commercial quantum computers is called **D-Wave Two**. This quantum computer is manufactured by D-Wave Systems Inc. What you need to know about quantum computer is that the secret government has been experimenting with quantum computers since the 1970s and maybe even earlier. The technologies that the secret government has are often decades ahead of the public.

- Have you seen the movie *Transcendence*? In this movie Evelyn, the wife of a dying scientist named Dr. Will Caster, wanted to save Will's life so she uploaded his consciousness into the quantum computer that they developed. From what I have heard is that the Controllers and their secret government already have the technology to do this. Could one of the reasons why the Controllers are creating these AI machines is to transfer their demonic masters' consciousness into these machines? If they are doing this, then they are telling us the truth in plain sight using the movie *Transcendence*. Are we really being controlled by AI machines with demonic consciousness? If we were, this would not surprise me at all.

The Battery Scene

- *Morpheus: The human body generates more bio-electricity than a 120-volt battery and over 25,000 BTU's of body heat. Combined with a form of fusion the machines have found all the energy they would ever need. There are fields, endless fields, where human beings are no longer born, we are grown. For the longest time I wouldn't believe it, and then I saw the fields with my own eyes. Watch them liquefy the dead so they could be fed intravenously to the living. And standing there, facing the pure horrifying precision, I came to realize the obviousness of the truth. What is the Matrix? **Control**. The Matrix is a **computer generated dream world** built to keep us **under control** in order to change a human being into this.*

Evidence that We are Being Used as Batteries

- The word **battery** is an important word in commerce and law, because it has to do with the process of harnessing the energy of humanity. In other words, this is one of the many methods that the Controllers used to drain your energy.
- This energy is then used by the Controllers to **charge** their corporations or “**corpse-o-rations**” (“corpses” or “dead entities”), banks, and other commerce systems, so that they can keep their game of conning humanity going. Without our **energy** to **charge** their corporations and commerce systems, their con game will not have enough **power** to stay on.
- As human beings, we are being used as **batteries**. This is why before we go to court, we have to be **charged** first. At the court hearing, the judge will read the **charges** and then **charge** them off after a verdict or judgment is made.

- If there is a fine or fee included in the judgment, the defendant will be ordered to pay the fine with **currency**. The covert meaning of the word **currency** has to do with the **flow of energy**. This is why the **stored energy** in a **battery** is called **electric current** or the **currency of electricity**.
- The word **currency** originated from the Latin word **currens**, the present participle of **currere**, which means “**to run**.” When you think about this, it might not make sense, because why would they base the word **currency** on a Latin word that does not have much to do with paper money or coin? Because it is not really about the paper money or coin. Instead, it has to do with **energy**.
- To find how **currency** is related to **energy**, you need to use phonetics and separate the word **currency** into two words. When spoken out loud, the word **currency** sounds similar to “**current-sea**.” What does a **current** do in a river? It **flows** or **runs** to the **sea**! Sometimes you have to rely on the phonetics instead of the letters to find the hidden meaning of a word.

- The word **currency** also sounds similar to **current-chi**. In Chinese, the word **chi** means “**natural energy**,” “**life force**,” or “**energy flow**.” Based on these definitions, **currency** means the **flow of energy**. When you really think about it, currency is a **medium for exchanging energy**.
- When you go to work at a company, the company often pays you hourly. Every hour is recorded to make sure that you are paid for investing your **time** and **energy** into the company. After you have worked for a certain amount of time, you are given a weekly or biweekly paycheck. Once you take your paycheck to the bank to cash it for currency, the **currency** now represents your **time** and **energy**.

The Truth Can Make You Pass Out!

- This is the scene right after Morpheus tells Neo that the human race is being used as batteries. Neo is horrified after discovering the truth and tries to deny it by saying:
- *Neo: No. I don't believe it. It's not possible.*
- *Morpheus: I didn't say it would be easy, Neo. I just said it would be the truth.*
- *Neo: Stop. Let me out. Let me out. I want out.*
- After they unplug Neo from the Construct, Neo freaks out, pukes, and then passes out. When people hear the truth for the first time, they often get angry and scared at the same time, causing them to want to lash out at the messenger for telling them the truth. This scene does a good job of showing this reaction.

The Matrix is the Veil for Controlling Our minds

- *Morpheus: As long as the Matrix exists the human race will never be free. After he died the Oracle prophesied his return and that his coming would hail the destruction of the Matrix and the war, bring freedom to our people.*
- There is truth in the message above but there is also **misleading information**. It is true that as long as the Matrix exists the human race will never be free; but it is misleading to say that a savior will come save us. The **savior ideology** is a **PSYOP**. It is one of the main programs that the Controllers like to use to disempower us and make us think like slaves.
- **Neo represents each of us**. The **One** is **YOU!** There is **no one savior**. Once you realize this, you should know that **all religions** are **controlled** by the **Dark Forces**, which is why nearly every religion teaches you to worship an external god and an external messiah. In order for us to free the human race, we the people of the world have to **unite** and work in **cooperation**.

The Construct: Neo Fights Morpheus

- In this scene, Morpheus takes Neo into a sparring program inside the Construct to test his fighting skills and train him how to fight. During the fight scene Neo can not beat Morpheus. The computer programmer uploaded all the fighting techniques, including kung fu into Neo's brain before the fight and yet Neo still can not beat Morpheus.

- *Morpheus: How did I beat you?*
- *Neo: Your too fast.*
- *Morpheus: Do you believe that my being stronger or faster has anything to do with my muscles in this place?*
- *Neo: I know what you're trying to do.*
- *Morpheus: I'm trying to free your mind, Neo, but I can only show you the door, you're the one that has to walk through it.*
- In the last sentence, Morpheus is telling you that when you try to free people's mind, do not force them to see the truth. Only show them the door. One of the reasons why you do not want to force people is because it can scare them too much, causing them to close their minds. By forcing them, you may end up violating their free will.

- Morpheus is also telling you that **no one can save you** and show you the truth, because only you have the key to the door of truth. **Without facing the truth, you can not transform your mind** and ascend to higher levels of consciousness. **Transformation** comes from **within**, no messiah can do this for you. The messiah/savior ideology is a PSYOP created by the Dark Forces for the purpose of **enslaving your mind and soul**, and preventing you from taking **personal responsibility** for your **spiritual growth**.

- When Morpheus says to Neo, “Do you believe that me being stronger or faster has anything to do with my muscles in this place? You think that's air you're breathing now?”, he is explaining to Neo that it is not about being strong in the body but in the **mind**. In other words, to defeat Morpheus Neo needs to **strengthen his mind**.
- In the Matrix, which is a computer generated reality, the body is an illusion and therefore being stronger or faster has little to do with the body. This also relates to our physical reality. Our physical bodies are creatures of our minds and therefore our minds are much more powerful than our bodies. This is why it is important to not be so obsessed with your body and learn to strengthen your mind. One way to do this is to learn **knowledge of empowerment** and turn it into **wisdom**.

The Construct: The Jump Program

- In this scene, Neo and Morpheus are on the roof of a skyscraper and have to jump to a roof of another skyscraper. This scene is about having faith in yourself and overcoming your fears. Neo fails the jump program because he is still living in a state of fear and has not freed his mind from the **programs** of the Matrix.
- After Neo falls and hits the ground of the Construct, Neo gets kicked out from the training program and realizes that his mouth is bleeding for real.

- *Neo: I thought it wasn't real.*
- *Morpheus: Your mind makes it real.*
- *Neo: If you're killed in the Matrix, you die here?*
- *Morpheus: Your body cannot live without the mind.*
- The body is a creature of the mind and therefore it can not live without it. In our physical reality, everything that is happening to us is not really happening out there. It is happening in our minds and consciousness, and then is projected into the external world. This is the deeper meaning of what Morpheus said about why the body can not live without the mind.

The Construct: Sentient Programs

- In this scene, Morpheus shows Neo another computer training program. This training program is designed to teach the people of Zion to deal with the agents of the Matrix.
- *Morpheus: The Matrix is a system, Neo. That system is our enemy. But when you're inside, you look around. What do you see. Business men, teachers, lawyers, carpenters. The very minds of the people we are trying to save. But until we do, these people are still a part of that system, and that makes them our enemy. You have to understand, most of these people are not ready to be unplugged. And many of them are so inert, so **hopelessly dependent** on the system that they will **fight to protect it**.*

- In real life, the people who work for the system of the New World Order (NWO) is a **potential** enemy of humanity. These people can easily be brainwashed to do harm to others. For example, most federal agents have been brainwashed so bad by the system of the NWO that they think they are doing a good thing by enforcing their “laws” down our throats. When order to kill people, some of them would do it without questioning the order.
- These order followers do not know what freedom is and are so brainwashed that they are willing to kill innocent people to protect the very same people who are enslaving them. They love to be slaves and crave the illusion of power and control. In reality, government agents that **blindly follow orders** are straight up **cowards** and can barely think for themselves.
- One important thing you need to know about their laws is that they are NOT laws of the land, but are **acts** and **statues** of **corporations**. If you have studied the information in my second seminar, you would know that the **United States** is a **FOREIGN corporation**.

The Construct: The Lady in Red

- The lady in red scene represents **ego consciousness** and our **desires**. It also represents **sex, distraction, and deception**. This scene shows one of the techniques that the Controllers are using to control us and prevent us from knowing the truth. The Controllers like to use sex to distract us and control our thought patterns. Why do you think there are so many sexual messages and erotic images in TV shows, movies, and video games?
- Sex is one of the most effective things to use to control us, because we lose control of our critical thinking skills when our minds are saturated with information about sex. After the lady in red passes Neo, he turns around and looks at her again, but she has already turned into an agent. This shows that **beauty** can be **deceiving**. Behind that beautiful body could be a devil. The Controllers are masters of deception. They love using the art of deception to deceive us.

- *Neo: This...this isn't the Matrix?*
- *Morpheus: No. It's another training program designed to teach you one thing. If you are not one of us, you are one of them.*

- *Neo: What are they?*
- *Morpheus: Sentient programs. They can move in and out of any software still hard wired to their system. That means that anyone we haven't unplugged is potentially an agent. Inside the Matrix, they are everyone and they are no one. We are survived by hiding from them, by running from them. But they are the gatekeepers. They are guarding all the doors. They are holding all the keys, which means that sooner or later, someone is going to have to fight them.*

- Allegorically, the sentient programs are the agents of the Controllers. In real life, federal agents are the gatekeepers because they are guarding all the doors. The conversation between Morpheus and Neo in the previous slide has empowering knowledge, but it also has deceptive knowledge.
- At the end of this conversation, Morpheus tells Neo that “sooner or later, someone is going to have to fight them.” This message is deceiving because it is designed to promote war. When we **fight** the system, we are creating **karmic energy** and therefore are **perpetuating** the problem and **fueling** it with **negative energy**. What we should do is **remove our consent** and **support**. The Matrix can only survive with our **consent** and **support**.

- *Morpheus: I've seen an agent punch through a concrete wall. Men have emptied entire clips at them and hit nothing but air. Yet their strength and their speed are still based in a world that is built on rules. Because of that, they will never be as strong or as fast as you can be.*
- *Neo: What are you trying to tell me, that I can dodge bullets?*
- *Morpheus: No Neo. I'm trying to tell you that when you're ready, you won't have to.*
- In this conversation, Morpheus is telling Neo that the artificial intelligence (AI) system that is controlling humanity can never be as powerful as he is. This is true because AI does not have emotion, true thought, and creativity. Morpheus is also telling Neo that he has **infinite potential**.
- As human beings, we have **infinite potential** because we have the power of **thought**, **love**, and **consciousness** inside us. These are the same powers that the Prime Creator used to create the Universe. We do not feel like we have infinite potential, because we lack the knowledge to access the higher states of our consciousness. When we evolve to higher states of consciousness, our bodies will change and become less dense, and therefore we eventually will not need to dodge bullets because they will not be able to harm us as much.

The Oracle's Place

- In this scene, Neo walks into the Oracle's apartment and sees a boy bending spoon with his mind. The spoon boy is spiritually awakened, so he knows that he is living in an artificial reality. This is why he said this to Neo:
- *Spoon Boy: Do not try and bend the spoon. That's impossible. Instead only try to realize the truth.*
- *Neo: What truth?*
- *Spoon Boy: There is no spoon.*
- *Neo: There is no spoon?*
- *Spoon Boy: Then you'll see that it is not the spoon that bends, it is only yourself.*

- When Spoon Boy said to Neo, “there is no spoon.” He is telling him that reality works like an **illusion**. Remember what I said earlier that everything happening to us is not really happening out there, but is happening in our minds and then is projected into the external world?
- When Spoon Boy said to Neo, “then you'll see that it is not the spoon that bends, it is only yourself.” This sentence is full of esoteric knowledge and wisdom. Everything that is happening in the Matrix does not really exist, so if Neo wants to change it, he must first change himself and the way he thinks.
- The external reality that we live in works similar to this spoon scene in *The Matrix*. Once you know how reality works at the fundamental levels, you will know that to achieve world peace and spiritual freedom, you must first change how you think.

- This is the scene where Neo meets the Oracle for the first time. The **Oracle** represents **intuition** and **knowing the self**. She is the voice deep in your subconscious mind that guides you to find your path in life. In other words, she is your **subconscious self**.

- The Oracle says to Neo, “Being the one is just like being in love. No one can tell you you're in love, you just know it. Through and through.” What the Oracle is telling us is that when we find our path in life, we just know from deep within our souls that it is the right path. We know because we can **feel** it. It is like every cells in our bodies are vibrating with excitement, just like falling in love. Because of this, no one can tell us what our path in life really is.

- After the Oracle asked Neo if he was the One and Neo responded with the answer “I don't know”. The Oracle told Neo to look at the sign behind him with the Latin phrase **Temet Nosce** [teh met nos kay]. This is Latin for “**know thyself**”. You can not achieve spiritual freedom until you know who you really are. Most people do not know who they truly are, which are **spiritual beings** living in physical bodies. Because of this, they can never truly achieve spiritual freedom until they know who they are.

The Office Building of the Agents

- This is the scene after Morpheus has been captured by the agents.
- *Agent Smith: Have you ever stood and stared at it, marveled at its beauty, its genius? Billions of people just living out their lives, oblivious.*

- What agent Smith is talking about is the control system known as the Matrix. What agent Smith said to Morpheus is a great analogy for what is happening to our world.

Today, most of us live in a state of trance, marveling the “beauty” of technology and having no clue that this same technology is being used to spy on us and enslave our minds.

Technology is not a bad thing, but when we become irresponsible and allow psychopaths to control technology, they could use it to destroy our civilization.

- *Agent Smith: Did you know that the first Matrix was designed to be a perfect human world? Where none suffered, where everyone would be happy. It was a disaster. No one would accept the program. Entire crops were lost. Some believed that we lacked the programming language to describe your perfect world. But I believe that as a species, human beings define their reality through misery and suffering.*
- Agent Smith is speaking from the perspective of the Controllers (Elites). The Controllers want us to think that humanity can not live in a perfect world and be happy at the same time. They want to condition us to think that we are meant to suffer and live in misery. The purpose of this is to prevent us from knowing that we can live in peace with one another. If we can unite as one big race and live in peace, it is game over for the Controllers and their Matrix system.
- It is true we can not live in a perfect world for the reason that at our current state of evolution we still make mistakes. However, mistakes are not always a bad thing, because they can help us grow and evolve into better people.

- *Agent Smith: I'd like to share a revelation during my time here. It came to me when I tried to classify your species. I realized that you're not actually mammals. Every mammal on this planet instinctively develops a natural equilibrium with the surrounding environment but you humans do not. You move to an area and you multiply and multiply until every natural resource is consumed. The only way you can survive is to spread to another area. There is another organism on this planet that follows the same pattern. Do you know what it is? A virus. Human beings are a disease, a cancer of this planet. You are a plague, and we are the cure.*
- Again, agent Smith is speaking from the perspective of the Controllers. The Controllers of the NWO are psychopaths who view us like parasites that need to be abused, controlled, and slaughtered. This is why they like to call us “useless eaters” and “sheeples” that need to be dumbed-down to the level of brain-dead “zombies.” The Controllers want us to think that we are a disease, a cancer of this planet. This is designed to make us feel guilty and worthless, so that we are more willing to accept their depopulation program. Unfortunately, many people's minds have been infected with this sick ideology of depopulation.

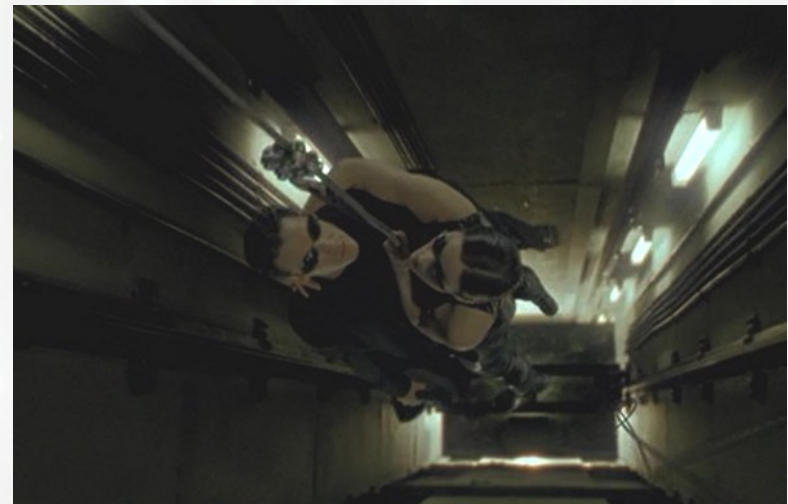

Who is Cypher?

- Cypher is the one who betrayed Morpheus and his crew, allowing the agents to capture Morpheus. **Cypher** represents the **people who have sold their souls to the devil**. Furthermore, he represents the **ignorant people** who love to live in a prison world without responsibility. Unfortunately, most people have been brainwashed to think like Cypher, which is why it is so hard to talk to people about government corruption, secret societies, and the New World Order. Cypher also represents the ego-minded people who are obsessed with money, material things, and luxury.

The Office Building of the Agents: Neo & Trinity Go Rescue Morpheus

- This scene is about rescuing **truth** and **knowledge**, because Morpheus represents these two things. To find Morpheus, Neo and Trinity have to take a leap of faith, which is shown when they grab the elevator cable and Neo shoots the cable with his pistol, causing the elevator to fall.

The Subway Station Fight Scene

- This is the fight scene in the subway between **Neo (the One)** and agent **Smith (the Zero)**. Instead of running away, Neo confronts agent Smith. His action shows us that he is finally starting to believe in himself. Neo has finally gained enough courage to face his fear. From the perspective of the language of the Matrix, which consists of 1 (positive) and 0 (negative), **Neo** represents **1** and **agent Smith** represents **0**. In other words, **agent smith** is the **negative side** of **Neo**.

The Heart O' The City Hotel

- Neo is shot in the **same room** where the **movie begins**. Room **303** of the Heart O' The City Hotel. This hotel room was the same room where **Trinity** was assaulted by police officers in the **beginning** of the film. We have now come full circle. It is no accident that Trinity and Neo end up in the same room at different times.

The Occult Meanings of 303

- When you take out the **0** in **303**, you get **33** which is a very important number in Freemasonry. In masonic teachings, the number **33** is the **first level** of the **illuminated degree of Freemasonry**. This is because it is the degree of temperature in **Fahrenheit** when ice begins to melt into water. Water is an important element in nature and religion, because it represents transformation and life. As for the number **0**, it represents the **freezing point**, because **0** degree **Celsius** is when water freezes.
- In Freemasonry, the number **33** also represents **death** and **rebirth**. It is about resurrection and ascending to higher levels of consciousness and awareness. It was no coincidence that Neo was shot in room 303, died, and was resurrected. The number **0** represents his **death** and the number **33** represents his **rebirth**.

Neo is Revived by Trinity

- In this scene, Neo is revived by Trinity after she kisses him. Neo died in room 303 and was resurrected through the pure love of Trinity. This shows us that pure love can overcome anything. The combination of pure love (Trinity) and action (Neo) is truly powerful, because it allows us to **take action without fear.**

Neo Awakens His Powers!

- This is the scene when Neo comes back to life. The three agents try to shoot him, but he stops their bullets using his mind along with the word “**NO**”. This scene is one of the most important scenes in the film, because it shows us that it is our “**collective**” **higher consciousness** that can stop the Dark Forces and free our minds.
- To reach a higher level of consciousness, Neo had to face his fears, build courage, and know thyself. One of the most important things that helped him do these things was knowledge. For us to free our minds from the **real** Matrix without firing one bullet, we need to ascend to higher states of consciousness. To do this we need to face our fears, build courage, and know ourselves. This things require the right knowledge, which is why **knowledge is power!**

The True Nature of the Matrix

- Neo can now see the Matrix for what it really is, which is made of computer codes. Our natural reality works similar to this. Instead of computer codes 1 (**on**) and 0 (**off**), our natural reality is made of energy or light patterns that flash **on** and **off**. This process creates energy codes that are processed by our minds and bodies to create our external material reality. In other words, matter is an “illusion”.

System Failure!

- The movie ends with the phrase “System Failure”. Neo says, “I know you're out there. I can feel you now. I know that you're afraid. You're afraid of us. You're afraid of change. I don't know the future. I didn't come here to tell you how this is going to end. I came here to tell you how it's going to begin. I'm going to hang up this phone and then I'm going to show these people what you don't want them to see. I'm going to show them a world without you, a world without rules and controls, without borders or boundaries, a world where anything is possible. Where we go from there is a choice I leave to you.”
- The human race is at a crossroad where we collectively have to make important choices that will determine our future. This event is causing our awareness and consciousness to increase, causing the Dark Forces to be afraid of what we might become. Will we be able to free ourselves from the **real** Matrix? It all depends on our choices and actions.

- The movie zooms in to the letters **M** and the **F**, representing the **masculine** and **feminine** consciousness.

What is the REAL Matrix?

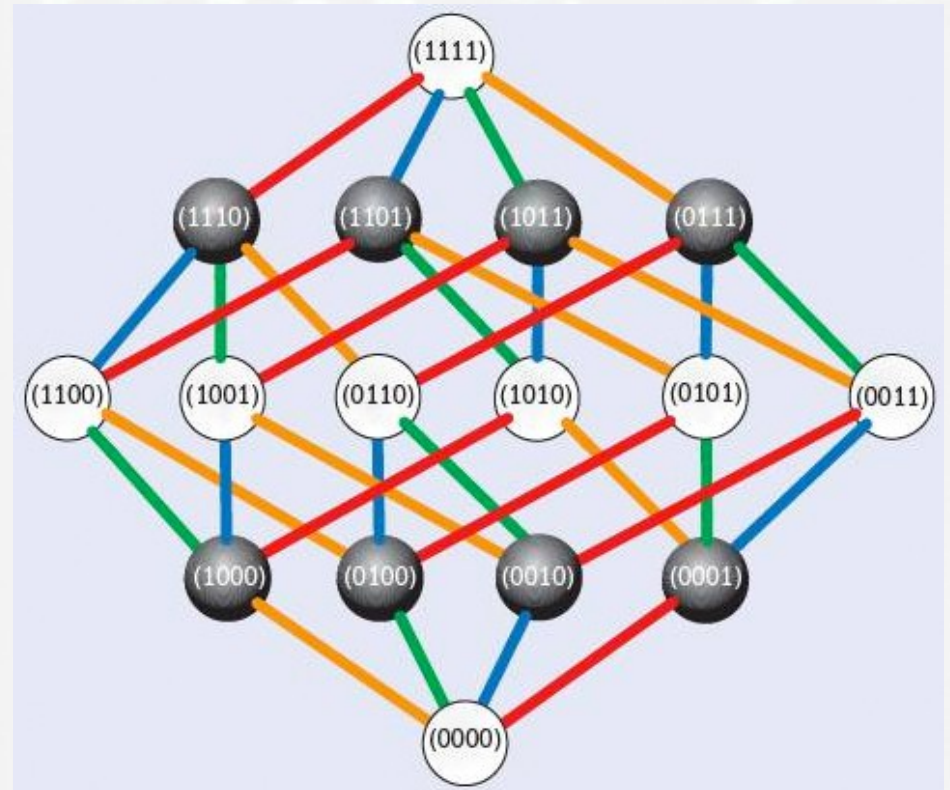

- The real Matrix is not the Matrix in the movie. The real Matrix is the **artificial reality** that has taken over the **natural reality** of Earth. This matrix is an **artificial computer generated hologram** that is managed by a very advanced quantum computing system. This artificial holographic matrix was created by the Dark Forces and their minions (the Controllers) to enslave us. They can enslave us by wirelessly “plugging” our DNA into their Matrix system. The **metal rod** and **cord** in the movie *The Matrix* symbolizes our **DNA**.
- The real Matrix is very hard to detect because it looks very similar to the **natural** reality of Earth. Imagine overlaying two images together. One is a copy and the other one is the original image. When you overlay them on top of each other, they become one image. The new image looks very similar to the original image but is slightly different. This is similar to how the Dark Forces are tricking us to think that we live in a natural reality.

- The purpose for “plugging” our DNA into their Matrix system is to **enslave our minds**, so that they can use us as “**batteries**”. The Dark Forces need to feed on our energy to survive, because they have been cut off from the Eternal Life Current of the Prime Creator. In other words, the **Dark Forces** are the **dead entities** that need to feed on our living energy to survive. They are what some people refer to as **astral parasites** or **energy vampires**.
- The movie *The Matrix* was created by the Controllers to mock us and tell us that we have been enslaved by their masters (the Dark Forces). Unfortunately, most of us are too brainwashed, ignorant, and spiritually asleep to realize this. **Everyone** who is currently **living on Earth** has been **physically** and **spiritually enslaved** by the Dark Forces. This is why **Earth** is called a **prison planet**. The moment you are born on Earth is the moment you are a prisoner of the Matrix system.

- Some of the systems that the Dark Forces like to use to prevent us from deleting the digital codes of the Matrix system and replacing it with the natural energy codes of the Universe are the **number** and **language** system, and **their version of sacred geometry**. Other systems that they like to use are religion and the media. By using religion and the media to condition us how to think, they can control our thought patterns to a large degree. This allows them to create a reality that they want.
- If you know that the human collective thought is what creates the human experience on Earth, then you should know why they want to control how we think. The language, media, education, and religious system are four of the main systems that the Dark Forces like to use to hijack our reality. The political, technology, and energy systems are also three other important systems that they like to use to enslave us. It is important to know that these systems are not evil, but are being used for evil purposes.

Evidence that Our Reality is Made of Codes

- A few years ago, theoretical physicist Dr. James Gates Jr. found evidence of “computer codes” in the fabric of space. “Working on a branch of physics called supersymmetry, Dr. James Gates Jr., discovered what he describes as the presence of what appear to resemble a form of **computer code**, called error correcting codes, embedded within, or resulting from, the equations of supersymmetry that describe fundamental particles.” He called these codes “adinkras”.

A Few Solutions for Freeing Humanity from the Real Matrix

- It is **not** wise to fight the Matrix system, because fighting it will only give it **energy to feed on**. Furthermore, fighting leads to more **karma** and therefore this drama will never end. It is like a snake biting its own tail. Instead of fighting the system, we need to remove our **consent** and reduce our **support** for the Matrix system as much as possible. This system needs our support to exist. Just like how any corporation needs our support to stay in business. We also need to create our own system, so that we can completely stop supporting the Matrix of the Dark Forces.
- **Do not ignore** what the Dark Forces are doing. You need to be **aware** of what the Dark Forces are doing, so that you can protect yourself from them. Ignoring them only makes it easier for them to enslave the human race.

- One of the things that will help us achieve spiritual freedom is the balancing of the right and left hemisphere of our brains. When the two hemisphere of our brains are balanced, they help us to live in harmony with nature and access higher states of consciousness. The balancing of the left and right hemisphere of our brains makes it easier for us to achieve Unity Consciousness. Our hearts will also play a big role in this process. Uniting our hearts and brains will play a big role for freeing humanity from the Matrix system.
- One of the Dark Forces favorite tricks to prevent you from leaving their Matrix is the “**light at end of the tunnel**” technique. Once you walk into the light, you unknowingly go back into their Matrix, so you **better make sure it is the right light**. They also like to manifest themselves to look like angels or someone you loved, so that they can trick you to go back into their Matrix after your body dies. Once you go back into their Matrix, your memory is wiped clean and you have to play their game all over again.
- Other popular techniques they like to use are soothing sounds and calming music to attract you to go back into their Matrix. Church music is a good example. Maybe this is why they play this type of music in church to condition you ahead of time. All churches are controlled by the Vatican (the religious center of the Dark Forces) to a certain degree.

- **Study Natural Law** and learn your **natural rights**, so that you can put the Dark Forces and the Controllers in checkmate when they violate your rights. This is how you can stop them without violent revolutions. The Universe has its own justice system. All thoughts, intentions, and actions are known by the Universe. As long as you **do not forgive** them for harming you **until** you make them **accountable** for their **actions**, they will eventually have to face the **justice system of the Universe**. The masters (demons) of the Controllers are well aware of this justice system. Once they face the consequences for their actions, then you can forgive them.
- Arm yourself with **knowledge of empowerment**, so that you can overcome your fears. Knowledge is one of the main keys to spiritual freedom. One of the main reasons why you are fearful of something is because you lack the knowledge to understand it. Once you gain the right knowledge to understand it, the fear eventually subsides and can not control you anymore. I know this from experience.

- **Stop relying on a savior** to save you. The savior ideology was created by secret societies of the Dark Forces to enslave your soul. When you rely on a savior to save you, you are basically telling the Universe that the Prime Creator did not give you the spiritual powers you need to achieve spiritual freedom. This is an “insult” to the Prime Creator. If you need to rely on a savior to save you, you are not using your spiritual powers wisely and are thinking like a slave.
- **Stop supporting wars and crimes against humanity.** All the major wars on Earth have been **engineered** by the Controllers and the Dark Forces. The Dark Forces like wars because wars create a lot of negative energy for them to feed on.
- When it comes to spiritual freedom, educating yourself about **Natural Law** and your **natural rights** are two of most important things you can do. This is because learning how to live in harmony with Natural Law is a requirement for ascending out of time and space. To learn about Natural Law and your rights, download [my second seminar](#) and study the information in it.

A Great Source for Learning More About The Matrix

- Some of the information in this seminar was made possible by studying the information in Mark Passio's seminar titled *The Matrix Trilogy Decoded*. You can watch Mark Passio's seminar by visiting his website WhatOnEarthIsHappening.com.
